

Warm Up:

1. $(-1) + (-17)$
2. $21 - 13 + (-4)$
3. $-8 - (-7) - (-2)$
4. $-5 - (-4) + 3$
5. One winter day, the difference between the warmest and coldest temperatures in the US was 74 degrees. If the warmest temperature was 61 degrees, what was the coldest temperature on that day?

Speak Like A Mathematician:

numerical expression:

exponent:

base:

evaluate:

Example 1: Translate a Verbal Expression

- one plus eight divided by three
- seven times fifteen minus two times nine
- twelve less than two times five

Example 2: Translate a Verbal Expression with Grouping

- the sum of five and nine divided by two
- eight less than the product of six and four
- nine times the difference of 8 and 3

Example 3: Write a Numerical Expression

- A person's handicap in bowling is usually found by subtracting the person's average from 200, multiplying by 2, and dividing by 3. Marley's bowling average is 170. Write a numerical expression for Marley's handicap in bowling.
- To convert a temperature in degrees Celsius to degrees Fahrenheit, multiply the temperature in degrees Celsius by 9, divide by 5, and add 32. Write a numerical expression to convert 37 degrees Celsius to Fahrenheit.

Example 4: Evaluate Expressions

- 2^4
- 4^5

Example 5: Order of Operations (GEMS)

- $20 - 7 + 8^2 - 7 \cdot 11$
- $(4 + 5)^2 \div 3(7 - 4)$
- $15 - [10 + (3 - 2)^2] + 6$
- $(2^3 - 5) \div (15 + 9)$

Example 6: Write and Evaluate Expressions

- Thursdays are Student Days at LSC Theaters. Student tickets are \$5 and popcorn refills are free. You buy a ticket and a 20-ounce bottle of pop (\$5), and you will split the cost of a large tub of popcorn (\$7.50) and large candy (\$3.50) with a friend. Write an expression, then evaluate it to find how much money you should bring.

SC Algebra 1

1.1 – Numerical Expressions

- While she was on a 7-day vacation, Ms. Hernandez boarded her dog at a kennel. If her boarding budget is \$250, can Ms. Hernandez afford a daily extra walk and one wash and nail trimming? Explain.

Service	Cost
Board	\$24 per day
Wash	\$45
Extra Walk	\$4 per day
Nail Trimming	\$12
Vitamins	\$1 per day

Tonight's Homework:
